

sig\_handler\_shutdown

```
graph LR; A[sig_handler_shutdown] --> B[time_str]
```

A diagram showing a relationship between two variables. On the left is a gray rectangular box with a black border containing the text 'sig\_handler\_shutdown'. A dark blue arrow points from the right side of this box to a white rectangular box with a black border on the right, which contains the text 'time\_str'.

time\_str
